

Dress Code for Non-VR and VR Class Meetings and Events

All scholars of Optima Academy Online are expected to conduct themselves with dignity and in a manner befitting the virtue focus of their education. As such, during all class meetings or in-person events wherein the student and their dress is visible, students will abide by the following requirements:

- All shirts worn on Microsoft Teams must be of a solid color, and all outfits in VR should have the appropriate OAO logo on the chest of the shirt.
- All shorts, shirts, pants, dresses, and skirts must be of an appropriate length, be free from displaying any images or text that have not been approved and provided by OptimaEd.
- No clothing or accessories may be worn that feature inappropriate language, themes (sex, violence, illicit substances, or activities for which students are not of age).
- Avatar Hair should be a natural color and of a non distracting size.
- Avatars should resemble the individual person as closely as possible.
- Avatars must be of realistic height.
